Application Note : February 2022

Market involved : -

Product : Product Solution Search App monitoring relays /timers

Customer : OEMs

Subject : Additional contents to the registered users

CUSTOMER ISSUE :

The user needs detailed information on main applications, product comparisons or markets of interest for the product found.

OUR SOLUTION :

The PSS App allows users to register, enabling their access to contents such as white papers, brochures, certifications, videos and images.

BENEFITS :

- Users receive additional content and this improves their capability to solve the issues they are facing.
